Hi Alicia,

Thought that you might like to see this. We launched pedal assist eBikes today in SF as part of the Ford GoBike system. Very exciting and people really like them.

I'm looking forward to what we can do together with eBikes in NYC

Best
Jay

Hi Julie,

Happy 2018! I saw the announcement earlier, congratulations on the launch! Enjoy CES and let me know when you're back. Would be great to regroup on Citibike. Thanks!

Cheers,

Hi Sonam! Happy new year to you. I just wanted to share as an FYI an announcement we made today: <https://www.businesswire.com/news/home/20180108006616/en/Motivate-Announces-e-Bike-Pilot-Program-Launch-San>. I'm on my way to Vegas for CES to talk about it, but look forward to touching base with you about Citi Bike stuff soon.

Thanks!
Julie
